REMARKS

In response to the Notice of Allowance mailed January 18, 2012, Applicant submits the following Comments on Statement of Reasons for Allowance presented by the Examiner.

The Examiner's Reasons for Allowance are directed to particular aspects of the allowed subject matter. Therefore, to the extent that the Examiner's reasons for allowance tend to mischaracterize the allowed claims, the Applicant objects. The claims, as written, speak for themselves. Applicants agree that the claimed invention would not have been obvious at the time the invention was made, and that no *prima facie* showing of anticipation or obviousness could be made in view of the prior art of record.

Questions are welcomed by the below-signed attorney for Applicants.

Respectfully submitted,
